Sir Robert Falconer,
President University of Toronto,
TORONTO.

My dear Sir Robert:-

I enclose you a letter from a friend of mine, a young scotchman, whose father I met about ten years ago when he came here with a group of British Engineers.

He is an exceedingly fine man and on his request I got his son a place as a lawyer in Vancouver about five or six years ago with a good firm and he has since become head of a firm of his own. Though married, he has volunteered for service, as you will see from his enclosed letter, and I would be very glad indeed if you would bear him in mind in the way he asks if that be quite possible and correct.

Yours faithfully,

G G S Lindsey

Dear Mr. Lindsey:

I had written to Mr. Hogg yesterday advising him to apply to President Tory overseas as I have nothing to do with these nominations.

Yours sincerely,

President.
